

## **ALL I NEEDED WAS YOUR SWEET LOVIN'**

Wandered around in this lonely city  
Lookin' for love that was so hard to find  
Broken-hearted with no one's pity  
All I'm askin' is for some peace of mind.

Chorus:

All I needed was your sweet lovin'  
Pulls me through the night  
Wash my blues  
All I needed was your sweet lovin'  
Life's still hard, but  
I don't have to lose

I've been surrounded by false impressions  
Of what the world says I'm to be  
Feeling chained in this hopeless prison  
All I'm askin' is someone set me free

Chorus:
