

FOUNTAIN

When I walk through the dark
You're the light I see
You're the light that shines for me
When I ache in my heart
You're the love I need
You're the love that comforts me

Chorus:

With Your love I can climb any mountain
With Your love I can cross any sea
With Your love welling up like a fountain
A fountain pouring down over me

When I'm lonely and scared
You're the one for me
You're the one who stands with me
When I'm down and confused
You're the one I find
You're the one to ease my mind

Chorus:

Bridge:

If I should fly to the ends of the world
If I should sail to the ends of the sea
If I could reach to the heavens or
The deepest place on earth
Still I'd find You there
Find You there for me

When I'm weary and weak

You're the strength I need
You're the strength that gives me peace
When I walk through my day
You're the one for me
You're the one who sets me free

Chorus:
