

SIGN JESUS

Early one night feelin' uptight
So I took off for a walk
Lookin' for a friend or stranger
Just someone kind to talk
Saw a little sign that looked mighty fine
And it looked at me to say
Flashed out it's tiny little message
It said, "Jesus, he's the way!" Yes and

Chorus:

Jesus, are You more than a sign, yes and
Jesus, can You truly be mine, yes and
Jesus, are You more than a wall, yes and
Jesus, won't You give me a call?

Sittin' with a friend lookin' for the end
Hey buddy have you got the time
Well there ain't to much to live for
So, I may as well blow my mind
I've been puffin' on the weed
My one heavy need
Hey brother the sky is blue
Saw a little tiny message
It said " Jesus, he loves you!" Yes and

Chorus:

I've been talkin' to a man who gives me a hand
And he looked me right in the eyes
"Well, there ain't to much to live for
'Cause you're livin' just a bunch of lies"

He said, “come follow me and I’m sure you will see All the love that
you’ve heard about!”

So I gave myself to Jesus
And now I can surely shout, yes and

Chorus:
