

WAYFARING STRANGER

I'm just a lonely wayfaring stranger
Travelin' through this world of woe
Headin' down this lonely highway
Goin' to, only my God knows

Chorus:

I'm on my way to the land of Canaan
Where this death will cease to be
And it is there I'll be with my Savior
And His truth my eyes will see

I'm on my way to the River Jordan
It is there that I am cleansed
And if my life is truly with Him
When in peril, His strength He'll send

Chorus:

I'm on my way to the Living Waters
Where I'm joined one with His love
And I will pour It on the mountains
On the earth and the sky above

Chorus:

I'm on my way to the River Jordan
Where I'll cross on my way home
I'm on my way back home
I'm on my way back home
