

LISA'S PRAYER

In Loving Memory of Lisa Dillon Gagan

I lift my eyes up to the sun
Thank the Lord for everyone, and
The love, the love He's shown to me
I send my voice from here to there
Your song of life is everywhere
And my eyes, my eyes they see

Chorus:

Thank you Lord for yourself
And the love you've given to me
Thank you Lord for my friends
And last of all, I thank you Lord for me

Teach me Lord from day to day
Help me find the simple way
And the joy, the joy of being free
Teach me Lord humility
Grant me Lord serenity
And the strength, and the power to be me

Time to time the road gets rough
I swear to you I've had enough
But you care, and you're there to lead me on
People near who make me sigh
Things they do I wonder why
But you care and you forgive just as you do
