

WHEN

(Based on a poem by Christina Congi)

When I fall, you are always there to catch me
When I call, you are always there to listen
When I run from myself
You are there no one else...

Chorus:

You are the one who knows me
You are the one who loves me
You are the one who's always there

When I doubt, you are always there to calm me
When I hurt, you are always there to hold me
When I'm lost and confused
You are there to see me through... (chorus)

Bridge:

When I shut you out you stayed
When I turned and walked away
You didn't leave me
When I hurt you, you forgave
When I said, "now go away"
You didn't leave me

When I'm wrong, you are always there to teach me
When I'm deceived, you are always there to save me
When I ever had a need
You are there for me...(chorus)

When I call
You are always there
