

You Are My Jesus

You are my Jesus
You are my Savior
You are my King
You are my Life
You are my Lord
You are my Jesus

All through the day I will know
You love me (You love me)
Wherever You want me, I'll go
You love me (You love me)
Nothing can keep us apart
Forever You'll live in my heart
(Chorus)

When pressure and pain fill my life
You're with me (You're with me)
Lifting me up from my strife
You're with me (You're with me)
Nothing can keep us apart
Forever You'll live in my heart
(Chorus)
